2006 BASEBALL

FALLEY FIELD

Falley Field became the home for Washburn baseball in 1990. Since the first game in 1990 Falley Field has been a great venue for baseball in the MIAA. The ballpark will soon undergo major improvements and make the setting among the elite in NCAA Division II.

Initial plans for Falley Field include five major changes. The foul lines will be reconfigured and the current fencing will be replaced by 4-foot wooden fencing along the foul lines along with 8-foot fencing in the outfield.

Three additional batting cages will be installed along the left field line and bullpens will be constructed to run parallel along each foul line. An equipment and maintenance facility will be added adjacent to the right field bullpen. The infield surface will be recrowned and astroturf will be installed to replace existing surface.

Washburn University was established in February 1865 as Lincoln College by a charter issued by the State of Kansas and the General Association of Congregational Ministers and Churches of Kansas. A two-story brick building on the northeast corner of 10th and Jackson Streets was soon erected and the first classes began in January 1866. In 1868. the school was renamed Washburn College, in recognition of a \$25,000 donation by Ichabod Washburn, a church deacon and resident of Worcester, Mass.

The university was granted a permanent location in 1865 when Topekan Col. John Ritchie donated a 160-acre site, which at the time was a considerable distance southwest of the city. Construction on the first building began in 1872, with occupancy

taking place in 1874. For the next two decades, college President Peter MacVicar conducted an aggressive development campaign. His efforts resulted in the establishment of numerous Victorian limestone structures which characterized the campus for the next 90 years.

WASHBURN ICHABODS

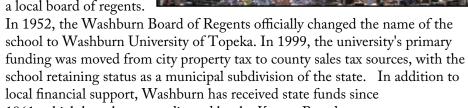

Expansion of the school was constant. The School of Law was organized in 1903, as was a School of Fine Arts and a medical school, which educated physicians until 1913. During the next three decades structures such as the Mulvane Art Museum, Benton Hall and Whiting Field House were added to the campus. In June 1966, a tornado struck Topeka and several historic buildings on campus were demolished. The Washburn community rallied and financial support from friends and alumni made possible the rebuilding of many school facilities during the coming

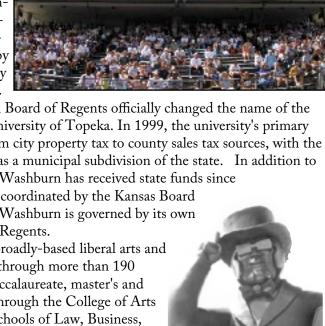

years. Today, university facilities offer more than one million square feet of modern academic and support space.

In 1941, the citizens of Topeka endorsed Washburn by voting to establish a municipal university, supported in part by the city and governed by a local board of regents.

1961, which have been coordinated by the Kansas Board of Regents since 1991. Washburn is governed by its own nine member Board of Regents.

Washburn provides broadly-based liberal arts and professional education through more than 190 certificate, associate, baccalaureate, master's and juris doctor programs through the College of Arts and Sciences and the Schools of Law, Business, Nursing and Applied Studies. Ninety-seven percent of the faculty hold a doctorate or the highest degree available in their discipline.

The Mid-America Intercollegiate Athletics Association, Year-by-Year Champion a 10-member conference of NCAA Division II institutions in Missouri and Kansas, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 15 years, the league has undergone several changes, highlighted by expansion and increased participation in national championships.

The MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 11 national championships and more than 100 individual national titles.

The MIAA currently conducts conference championships in eight men's and eight women's sports. Men's champions are crowned in football, cross country, basketball, indoor and outdoor track and field, baseball, tennis, and golf. Women's champions are determined in volleyball, cross country, soccer, basketball, indoor and outdoor track and field, softball and tennis.

Ralph McFillen was named to succeed Ken B. Jones as commissioner of the MIAA in January 1997, and took over in July of that year. He formerly served as commissioner of the Metro and Gulf South conferences. Matt Newbery, formerly an assistant sports information director at Pittsburg State University, joined the conference in July 1994 as director of sports information.

Washburn first fielded an intercollegiate baseball team around the first of the century. Early yearbooks place the first team in 1898. The first records of baseball were in 1947. The first Ichabod boys of spring went 3-4 against the University of Nebraska-Omaha, Kansas State University and Missouri Valley College.

The school's second team in 1948 went an impressive 10-0 followed by a 10-3 record in 1949. After a 2-6 record in 1950, Washburn discontinued baseball until Marion McDonald brought back the sport in 1957.

The '57 Ichabods went 8-5 and finished fourth in the Eastern Kansas Baseball League with a 3-5 record.

Through the 50-year history of the baseball program, Washburn has amassed a 951-609-3 (.608) all-time record. The Ichabods have had 31 winning seasons, 19 losing seasons and one .500 season.

Former Ichabod Jerad Head signed a profesional contract with the Cleveland Indians and joins Davey Lopes (LA Dodgers), Jerry Robertson (St. Louis Cardinals/Montreal Expos), Steve Simpson (San Diego Padres/New York Mets), Rick DeHart (Los Angeles), J.P. Wright (Minnesota Twins) and Travis Stockam (New York Mets) as Ichabods to go on to the pros. Chad Rodriguez, a second team All-America selection in 1996, was a pick by the Kansas City Royals organization. Harley Douglas played for a minor league affiliate of the New York Mets for two seasons.

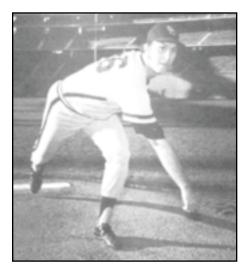

DeHart, inducted into the WU Hall of Fame last year, is playing in the independent Northern

WASHBURN ICHABODS

Lopes had a two-year stint as the manager of the Milwaukee Brewers after joining the club as a coach on Nov. 4, 1999. It was his first major league managing job. He was the first base coach for the San Diego Padres for the last three years. He is pictured in his playing days with the Dodgers.

Steve Simpson (bottom left), Jerry Robertson (middle) and J.P. Wright (bottom right) are pictured below. Wright owns the record for home runs in a season with 26 and in a career with 64. He was inducted into the Washburn Hall of Fame in 1998.
