College Football Comes to Washburn in 1885

Back in 1885, when there were no paved streets in Topeka, and "MacVicar" was the name of the Washburn president and not one of those unpaved streets, an Englishman brought football to the Washburn campus.

Six years later, in 1891, the Ichabod football tradition entered a new era as Washburn played its first season of intercollegiate competition. According to Washburn records, there were no games played in 1895, allowing the 1991 squad to celebrate the 100th season in Washburn football history.

Washburn celebrated the 50th anniversary of football's debut on campus in 1935. Robert Stone, a member of the team in 1885, penned a brief sketch of the first 50 years of Washburn football which appeared in the Oct. 30, 1935 issue of the Topeka Journal.

"Fifty years ago the Washburn college students organized the first college football team in the state. A young Englishman, who worked in the Santa Fe shops, brought with him from the old country an enthusiasm for the Rugby game. He organized a Santa Fe football team and challenged the Washburn students to organize and play. We accepted the challenge, organized a team and beat him. We then induced other colleges in the state to get into the field, and until after I graduated Washburn college our team was unbeaten on the football field. As I recollect, the first defeat was suffered at Columbia, Mo., in 1890." - By Robert Stone - Topeka-Journal

Washburn Conference Ties

Throughout its athletic history, Washburn has looked beyond the state borders of Kansas to find conference affiliations. The university has competed in nine different conferences, including its current association with the Mid-America Intercollegiate Athletics Association (MIAA), a NCAA Division II league of institutions in Missouri and Kansas.

Washburn's longest association was with the Central Intercollegiate Conference, of which the Ichabods were members from 1941 to 1968. Like the MIAA, the CIC included institutions in Missouri and Kansas.

Membership in three conferences were more regional in nature, forcing the Ichabods to travel throughout five states. The Missouri Valley Conference consisted of schools in Nebraska, Kansas, Oklahoma, Iowa and Missouri, many of whom are currently NCAA Division I member institutions. Both the Rocky Mountain Athletic Conference and the Great Plains Athletic Conference put the Ichabods on the road to Colorado, Utah, New Mexico, Nebraska and Kansas.

Washburn has won two outright conference championships, while earning co-championships four times. The Ichabods were Central Conference co-champions in 1931. They held the title of Central Intercollegiate Conference co-champions in 1949, 1953, and 1954.

In 1964, Washburn won its first outright championship by claiming the Central Intercollegiate Conference title. Washburn's most recent conference crown was won in 1983 as members of the Central States Intercollegiate Conference.

Did the Ichabods throw the first forward pass?

When an athlete or team accomplishes a "first" these days, all America can witness as modern technology is capable of bringing it into our living rooms. Firsts which happened decades ago, like who threw the first forward pass, are a little less clear.

Many schools – Washburn included – claim to have thrown the first forward pass. Whether Washburn did or not depends on how the implementation of the rule is viewed.

Records indicate the first forward pass rule was written by Navy coach Paul Dashiell and became a legal part of the game in 1906. Any forward pass thrown before the official rule would be illegal, and in the researcher's opinion, not a historical first. Accepting that view prohibits one from believing that the first forward pass was thrown during either a Yale-Princeton game in 1876 or a North Carolina-Georgia game in 1895, as various documents show.

According to Pat Harmon, historian at the National College Football Hall of Fame, the first legal collegiate forward pass was thrown by St. Louis University during a Sept. 5, 1906 game against Carroll College.

So we have illegal forward passes before the 1906 rule, and legal forward passes after the rule. But what about a pass thrown during a game designed to test proposed rules changes? That is where Washburn's claim comes into play. If you believe a "first" can happen during a game testing proposed rules, then Washburn is correct in claiming it threw the first forward pass.

The Capper/MRI Quick-Fact Book of Kansas states on page 15: "The first forward pass in football history was thrown in December, 1905, in a football game between Washburn University and Fairmount College."

An article in the Oct. 30, 1935, edition of the *Topeka Journal*, titled "Washburn played Game 30 years ago testing new grid rules suggested," reports: "Washburn was in the football spotlight Christmas Day in 1905 when the Ichabods played a postseason game with Fairmount in Wichita to test the proposed rules changes. It was known as the Walter Camp game."

The *Kansas Historical Quarterly* published an article named "Evans: College Football in Kansas," which quotes Bliss Isley, who played in the 1905 game: "The first forward pass in history was thrown that afternoon by Bill Davis to Art Solter and was good for a 10-yard gain."

The article goes on to say "Isley said the pass delivery was primitive. Davis heaved the ball with both hands like a basketball player shooting a free throw and wobbled through the air."

From these sources, the researcher concludes Washburn did indeed throw the first forward pass on Christmas Day in 1905 during a game to test a new set of rules. The game in question was not the regular season contest listed in this media guide – in which Washburn prevailed 10-6 – but rather a scoreless tie that is not listed in the 1905 scores.
