The Mid-America Intercollegiate Athletics Association, a 10-member conference of NCAA Division II institutions in Missouri and Kansas, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 20 years, the league has undergone several changes, highlighted by increased participation in national championships.

The MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 13 national team championships and more than 140 individual national titles.

The MIAA currently conducts conference championships in eight men's and eight women's sports. Men's championships include football, cross country, basketball, indoor and outdoor track and field, baseball, tennis, and golf. Women's champions are determined in volleyball, soccer, cross country, basketball, indoor and outdoor track and field, softball and tennis.

Ralph McFillen, formerly of the Metro and Gulf South conferences, succeeded Ken B. Jones as commissioner of the MIAA in July 1997. Matt Newbery, previously the assistant sports information director at Pittsburg State University, is assistant to the commissioner for media relations and in his 13th year with the MIAA. Natasha Oakes, a former All-MIAA track performer at Emporia State University, was added as the third full-time staffer in July 2005 as assistant to the commissioner for compliance.
