THE TOPEKA
 CAPITAL-JOURNAL
...World Looking Into

Washburn University was established in 1865 as Lincoln College by a charter issued by the state of Kansas and the General Association of Congregational Ministers and Churches of Kansas. In 1868, the school was renamed Washburn College, in recognition of a \$25,000 donation by Ichabod Washburn, a church deacon and resident of Worcester, Mass.

In 1966, a tornado struck Topeka and several historic buildings on campus were demolished. The Washburn community rallied and financial support from friends and alumni made possible the rebuilding of many school facilities during the coming years. Today, university facilities offer more than one million square feet of modern academic, activity and support space.

In 1941, the citizens of Topeka endorsed Washburn by voting to establish a municipal university, supported in part by the city and governed by a local board of regents. In 1999, the university primary funding was moved from the city property tax to county sales tax sources, with the school retaining status as a municipal subdivision of the state.

In addition to local financial support, Washburn has received state funds since 1961, which have been coordinated by the Kansas Board of Regents since 1991. Washburn is governed by a nine-member Board of Regents.

THE ICHABOD CLUB

WASHBURN ATHLETICS

The Ichabod Club is a booster club that works to promote Washburn University Athletics and provides financial support to its athletic programs. Membership in the Ichabod Club has played a major role in supporting the annual scholarship drive and making a difference in the lives of Washburn student-athletes for the past 20 years.

Washburn Athletics depends upon the annual contributions to the Ichabod Club Scholarship Fund to continue offering scholarship aid to our student-athletes.

The mission of the Ichabod Club is simply to provide the scholarship assistance to young men and women student-athletes (tuition, fees, books, room and board) unless the contribution is restricted to a specific sport or some other specific purpose. All gifts to the Ichabod Club are tax deductible to the full extent allowable by law.

Opportunities for alumni, friends, parents and boosters to become involved with the Ichabod Club program are available through pregame parties, golf tournaments, the Ichabod Club newsletter, monthly luncheons, the kick-off party and other special events.

For more information, call the Washburn Athletic Department at 785.231.1135.

Lee Arena has served as the home of Washburn basketball since the 1984-85 basketball season. The arena has a capacity of 3,804, twice that of Whiting Fieldhouse, which housed the home court before 1984.

The arena was built as part of the \$8.4 million Kelsey H. and Edna B. Petro Allied Health Center, the largest building on campus covering more than 126,000 square feet. Lee Arena is named after former Washburn baseball coach and player Bob Lee and his wife, Sallee, to recognize their \$250,000 donation.

Following the 2000-01 season, Lee Arena underwent its first construction work since it opened with the second level addition of new coaching offices, conference room, booster room and student-athlete computer room. The addition makes Lee Arena one of the best Division II complexes in the nation.

Lee Arena has provided an outstanding homecourt advantage for both the Ichabods and Lady Blues. Since the Lady Blues christened Lee Arena with an 89-65 victory over Friends on Nov. 20, 1984, the team has posted an overall home record of 214-51 (.808).

The recent success of the Washburn basketball teams combined with an outstanding facility in Lee Arena has

led the NCAA to select Washburn as a host site for post-season competition. The Lady Blues are 4-3 in NCAA postseason play at Lee Arena. On July 6, 1999, Lee Arena was fitted with a new basketball court design. The previous design was the original found on the court when Lee Arena opened for its first basketball game on Nov. 17, 1984.

The new court, which was designed by Sports Information Director Gene Cassell, features major changes, including a filled-in 3-point circle and an enlarged Washburn "W" in the center of the court.
