The Mid-America Intercollegiate Athletics Association, a 10-member conference of NCAA Division II institutions in Missouri and Kansas, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 15 years, the league has undergone several changes, highlighted by expansion and increased participation in national championships.

The MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won nine national championships and more than 98 individual national titles.

The MIAA currently conducts conference championships in nine men's and

seven women's sports. Men's champions are crowned in football, cross country, basketball, indoor and outdoor track and field, baseball, tennis, and golf. Women's champions are determined in volleyball, cross country, basketball, indoor and outdoor track and field, soccer, softball and tennis.

Ralph McFillen was named to succeed Ken B. Jones as commissioner of the MIAA in January 1997 and took over in July of that year. He formerly served as commissioner of the Metro and Gulf South conferences.

Matt Newbery, formerly an assistant sports information director at Pittsburg State University, joined the conference in July 1994 as director of sports information.
