Media Information

The 2001 Washburn University Men's and Women's Tennis Media Guide is intended to provide information for writers, broadcasters, sports editors, sports information personnel and fans who follow the Ichabods. Material in the guide was current as of the printing deadline March 9. Additional information is available in the Washburn Sports Information Office and through weekly releases available to personnel from accredited media outlets covering the Ichabods and Lady Blues.

Washburn University is in Topeka, Kan., at

the intersection of 21st Street and Washburn Avenue. The Washburn Tennis Complex is located south of Petro Allied Health Center.

The Washburn University Sports Information Office is located in room 352 in Whiting Fieldhouse. Office hours are from 8 a.m. to 5 p.m., Monday through Friday. Phone: 785.231.1010 x1791; Fax: 785.231.1091. You may e-mail the SID office at cassell@washburn.edu.

Media credentials are not required for covering Washburn tennis.

2000 MIAA record	5-0-1 Lady Blues, 2-3 Ichabods

Credits

The 2001 Washburn University tennis media guide was written and designed by Gene Cassell, sports information director. The guide was printed by the Washburn service area. Post production work was completed by Capital Graphics of Topeka. Photos and mug shots by Cassell.

Washburn University was established in 1865 as Lincoln College by a charter issued by the state of Kansas and the General Association of Congregational Ministers and Churches of Kansas.

In 1868, the school was renamed Washburn College, in recognition of a \$25,000 donation by Ichabod Washburn, a church deacon and resident of Worcester, Mass.

In 1966, a tornado struck Topeka and several historic buildings on campus were demolished. The Washburn community rallied and financial support from friends and alumni made possible the rebuilding of many school facilities during the coming years. Today, university facilities offer more than one million square feet of modern academic, activity and support space.

In 1941, the citizens of Topeka endorsed Washburn by voting to establish a municipal university, supported in part by the city and governed by a local board of regents. In 1999, the university primary funding was moved from the city property tax to county sales tax sources, with the school retaining

About Washburn

status as a municipal subdivision of the state. In addition to local financial support, Washburn has received state funds since 1961, which have been coordinated by the Kansas Board of Regents since 1991. Washburn is governed by a nine-member Board of Regents.

Washburn provides broadly-based liberal arts and professional education through more than 190 certificate, associate, baccalaureate, master's and juris doctor programs through the College of Arts and Sciences and the Schools of Law, Business, Nursing and Applied Studies. Ninety percent of the faculty hold a doctorate of the highest degree available in their discipline. Individual attention is a priority at Washburn, with a student to faculty ratio of 18 to 1.

Dr. Jerry Farley

University President

Dr. Jerry B. Farley is in his third year as the president of Washburn University after a long association with the University of Oklahoma in Norman.

Farley previously held the position of vice president for community relations and economic development at OU and vice-president for administrative affairs at the Norman and Health Sciences Center campuses.

Before that, he held the position of vice president for business and finance at Oklahoma State University and previously

served as the associate vice president for administrative affairs and controller at the University of Oklahoma, Norman campus.

He earned his bachelor degree in accounting and finance and his masters and doctorate in higher education administration from OU.

He is a past president of the Southern Association of College and University Business Officers and is actively engaged in state and national associations of the College and University Business Officers.

Farley has been on the Board of Directors of the American Red Cross, the American Cancer Society, Oklahoma Teachers' Retirement System, the Norman Chamber of Commerce and the Norman Economic Development Coalition.

Washburn Athletics

Washburn Athletics - 1999-2000 In Review

Washburn teams compete for NCAA Division II championships as a member of the Mid-America Intercollegiate Athletics Association (MIAA).

Washburn currently offers intercollegiate competition for men in the sports of baseball, basketball, football, golf and tennis. Women compete in basketball, softball, tennis and volleyball.

Success has been obtained by both teams and individuals. The Ichabod football team continues its move toward the top of the conference after recording its first winning season since 1988 after going 6-5 last season.

The Ichabods basketball team has won seven regular season conference championships in the last 14 years and advanced to the NCAA Division II national tournament during those same seasons. The Ichabods advanced to the NCAA regional tournament last season. The Ichabods reached the semifinals of the national tournament in 1994.

The Lady Blues basketball team reached the Sweet 16 of its 1995 national tournament while making a fifth straight appearance at the national event. In 1996-97, WU was the top-ranked academic team in NCAA Division II, and the second ranked during the 1997-98 school year.

The volleyball program accomplished its second winning season since 1986 three seasons ago and notched its first upper division MIAA finish in the same year.

The men's tennis team was selected for its third appearance in the NCAA Division II national tournament in 1998. The women's tennis team also advanced to the NCAAs and hosted the Midwest regional on campus this past season for the third straight year.

Both the baseball and softball teams have had much success in recent years. The Ichabods finished second in the MIAA and advanced to the MIAA championship game. The Lady Blues were MIAA co-champs in 2000 and were runner-ups in the conference tournament.

The Ichabod golf program has made great strides since joining the MIAA. Washburn was ranked in the nation's top 25 in 1998 and made its first ever NCAA appearance.

Individually, many student-athletes earn all-conference, all-region and All-America honors each year. During the 1999-2000 season, 39 student-athletes representing all nine of Washburn's teams earned an all-MIAA honor in their respective sport.

While Washburn strives for success on the playing field, the university also takes pride in the academic accomplishments of its student-athletes.

During the 1999-2000 academic year, 94 of the university's 196 student-athletes maintained a 3.0 grade point average or above. Forty-five Ichabods and Lady Blues representing nine Washburn teams were named to the MIAA Commissioner's Academic Honor Roll for their respective sport. The cumulative grade point average entering the 2000 fall semester was 2.85.

Each year, several student-athletes are honored at the district or national level through the GTE Academic All-America program. Washburn placed two student-athletes on all-America teams. Baseball player Pat Colley and football player Aaron Doonan were each named to the second team in their respective sport.

Loren Ferré **Athletics Director**

Loren Ferré became Washburn's director of athletics in February of 1996 after a six-year appointment at Black Hills State University in Spearfish, S.D.

Ferre' is a dynamic leader who has implemented many internal changes within the athletic department since arriving on campus. He has put increasing scholarships and departmental fund-raising at the top of his list.

At Washburn, Ferré has been instrumental in the establishment of a strong Ichabod Club support team and the raising of funds for athletic scholarships. In addition, he created a position for a full-time marketing and promotions director who helps bring in new private dollars for scholarships and more excitement at all Washburn athletic contests.

While at BHSU, Ferré was also director of the Donald E. Young Sports Fitness Center, a 172,000 square foot, \$10.2 million facility. During his Black Hills tenure, the athletics department nearly tripled its outside revenue, including large increases in ticket sales and scholarship funding. All 10 varsity teams won a conference title in his final three years.

Before joining the staff at Black Hills State, Ferré spent 17 years at the University of North Texas. He was the director of the Coliseum (1987-90) was the associate and assistant director since 1980. He held the post of event coordinator (1978-80).

Ferre' is a 1971 graduate of Texas Christian University, earning a bachelor of arts degree. He earned a master's in journalism from North Texas in 1982. He is currently completing course requirements for a doctorate of education in sports administration from the University of Northern Colorado.

Ferre' and his wife Sarah, have two daughters, Caitlin and Hope, and reside in Topeka.

Jordan Canfield

Associate Athletics Director for Development

Jordan Canfield is in his third year as Washburn's associate athletics director for development.

Canfield returned to his alma mater after a year in private business. He was a first team all-MIAA guard for the Ichabods in 1996-97 and holds every Washburn and all but one MIAA assist

record, including the career assist mark he set as a senior. He won four conference titles in his four years on the basketball hardwood from 1992-97.

Canfield's main responsibility is to increase scholarship dollars for one of the best small college athletic programs in the country. He oversees the fund-raising efforts of the Ichabod Club, the Athletics Department booster club, and the Washburn Athletic Fund, a major giving campaign initiated by Canfield.

Canfield is a 1996 graduate of Washburn University with a B.B.A. degree in finance. He went on to earn an additional degree in economics in 1997 and has begun work on his M.B.A. He is married to Eileen Brungardt, a member of the Lady Blues volleyball team while at Washburn. The couple lives in Topeka with their son, Jordan Jett who was born last year.

Steve Ice

Head Athletic Trainer

Steve Ice is in his 19th year as the head athletic trainer at Washburn University.

Ice took over the Ichabods and Lady Blues programs in the fall of 1982 after a two-year assignment as the Associate Athletic Trainer at Lehigh University in Bethlehem, Penn.

During Ice's tenure at Washburn, the athletics training staff has seen the addition of the Petro Allied Health Center as a valuable resource for the prevention and rehabilitation of WU student-athletes.

Ice received his bachelor's degree from St. Mary of the Plains College in Dodge City, Kan., in 1977 and earned his master's from the University of Kansas in 1980. Ice also served as a graduate assistant athletic trainer for the Jayhawks from 1977 to 1979.

In addition to his duties at Washburn, Ice works in conjunction with the Orthopedic Clinic and Sports Medicine of Topeka. Steve and his wife, Janis, have four children, Brian, Patrick, Jenna and Alyssa.

Janet Degginger

Assistant Athletics Director

Janet Degginger is in her 13th year as Washburn's assistant athletics director.

Degginger returned to her alma mater in 1987 as assistant director of athletics. In that capacity, she is responsible for managing and monitoring all of the business and financial affairs of the department. In addition, she

supervises personnel in the administrative office, ticket office, training room, equipment room and Petro maintenance staff. During the 1995-96 academic year, Degginger served as the interim director of athletics during the national search for an athletic director. She also currently serves as the university's senior women's administrator.

Degginger has served on several university, conference and national committees. She is currently a member of the NCAA Professional Sports Liaison Committee and has served on a subcommittee of the NCAA Research Committee for developing a financial analysis report. She is a member of Washburn's Faculty Athletics and Financial Aid committees.

Degginger is a 1967 graduate of Washburn and has done postgraduate work at Kansas. She has a son, Preston.

Ron Wessel

Head Equipment Manager

Ron Wessel is in his 21st year at Washburn University as the head equipment manager for the athletics department.

Wessel, a native of Sierra Vista, Ariz., is in charge of maintaining all of the athletics department's equipment needs.

He attended Baker University in Baldwin City and was the school's football manager from 1976-79. Wessel then accepted the equipment manager's position at Washburn in the spring of 1980.

He is a member of the American Equipment Managers Association and became certified in 1992. Wessel has served as a district director of the AEMA since 1993.

In addition, he serves on the Continuing Education Committee of the AEMA.

Ron lives in Topeka and enjoys all kinds of sports, traveling, science fiction and physical fitness.

Washburn Athletics

Gene Cassell

Sports Information Director

Gene Cassell is entering his second full season as Washburn Sports Information Director after starting in December 1998. Cassell is a Marshall, Mo., native and a 1997 graduate from Northwest Missouri State University, where he graduated with a B.S. in journalism accompanied with a minor in broadcasting. At Northwest, Cassell worked in the Sports Information Office and in the Department of Mass Communication's award winning publications.

Besides his overseeing the media relations of Washburn's nine athletic teams, Cassell also runs game administration and is the webmaster of "The Blue Zone" - The official site of the Ichabods and Lady Blues online. Cassell is a member of CoSIDA (College Sports Information Directors of America) and a member of the Publications Contest Committee. Cassell's 1999 Washburn Football Media Guide placed sixth in the nation and the 2000 Washburn Volleyball Media Guide placed fifth in the nation.

Cassell and his wife, Regina, live in Topeka. Regina is the editor of Washburn's Alumni Magazine.

THE ICHABOD CLUB

WASHBURN ATHLETICS

The Ichabod Club is a booster club that works to promote Washburn University Athletics and provides financial support to its athletic programs. Membership in the Ichabod Club has played a major role in supporting the annual

scholarship drive and making a difference in the lives of Washburn student-athletes for the past 20 years.

Washburn Athletics depends upon the annual contributions to the Ichabod Club Scholarship Fund to continue offering scholarship aid to our student-athletes.

The mission of the Ichabod Club is simply to provide the scholarship assistance to young men and women student-athletes (tuition, fees, books, room and board) unless the contribution is restricted to a specific sport or some other specific purpose. All gifts to the Ichabod Club are tax deductible to the full extent allowable by law. Opportunities for alumni, friends, parents and boosters to become involved with the Ichabod Club program are available through pregame parties, golf tournaments, the Ichabod Club newsletter, monthly luncheons, the kick-off party and other special events.

For more information, call the Washburn Athletic Department at 785.231.1135.
