HISTORY

WUSPORTS.COM

Washburn University was established in February 1865 as Lincoln College by a charter issued by the State of Kansas and the General Association of Congregational Ministers and Churches of Kansas. A two-story brick building on the northeast corner of 10th and Jackson Streets was soon erected and the first classes began in January 1866. In 1868, the school was renamed Washburn College, in recognition of a \$25,000 donation by Ichabod Washburn, a church deacon and resident of Worcester, Mass.

The university was granted a permanent location in 1865 when Topekan Col. John Ritchie donated a 160-acre site, which at the time was a considerable distance southwest of the city. Construction on the first building began in 1872, with occupancy taking place in 1874. For the next two decades, college President Peter MacVicar conducted an aggressive development campaign. His efforts resulted in the establishment of numerous Victorian limestone structures which characterized the campus for the next 90 years.

Expansion of the school was constant. The School of Law was organized in 1903, as was a School of Fine Arts and a medical school, which educated physicians until 1913. During the next three decades structures such as the Mulvane Art Museum, Benton Hall and Whiting Field House were added to the campus. In June 1966, a tornado struck Topeka and several historic buildings on campus were demolished. The Washburn community rallied and financial support from friends and alumni made possible the rebuilding of many school facilities during the coming years. Today, university facilities offer more than one million square feet of modern academic and support space.

In 1941, the citizens of Topeka endorsed Washburn by voting to establish a municipal university, supported in part by the city and governed by a local board of regents. In 1952, the Washburn Board of Regents officially changed the name of the school to Washburn University of Topeka. In 1999, the university's primary funding was moved from city property tax to county sales tax sources, with the school retaining status as a municipal subdivision of the state. In addition to local financial support, Washburn has received state funds since 1961, which have been coordinated by the Kansas Board of Regents since 1991. Washburn is governed by its own nine member Board of Regents.

Washburn provides broadly-based liberal arts and professional education through more than 190 certificate, associate, baccalaureate, master's and juris doctor programs through the College of Arts and Sciences and the Schools of Law, Business, Nursing and Applied Studies. Ninety-seven percent of the faculty hold a doctorate or the highest degree available in their discipline.

Dr. Jerry B. Farley
University President

Jerry Farley became the 14th President of Washburn University in 1997 following an extensive career in finance and business affairs at several Oklahoma higher education institutions. Aside from a full schedule of Washburn responsibilities, Dr. Farley speaks and teaches around the United States on topics related to Higher Education Finance, Auditing, Management and Leadership. He is a C.P.A. and has been the president and chair of the board of several state and national professional

organizations. He has authored or co-authored numerous articles and books on finance and accounting.

Dr. Farley holds a degree in finance and accounting, an MBA, and a Ph.D. in Higher Education Administration - all from the University of Oklahoma.

Serving on local and state boards has always been a priority for Dr. Farley. He is past president of the Topeka Chamber of Commerce. He has served on the board of directors of Red Cross, American Cancer Society, Boy Scouts, United Way and economic development corporations including Go Topeka.

He is the recipient of awards for outstanding contributions in public service, accounting, and higher education.

Loren Ferré'
Athletic Director

Loren Ferré became Washburn's director of athletics in February of 1996 after a six-year appointment at Black Hills State University in Spearfish, S.D. Ferré is a dynamic leader who has implemented many internal changes within the athletic department since arriving on campus. He has put increasing scholarships and departmental fund-raising at the top of his list.

This past season, Ferré was named the Central Region Athletic Director of the Year.

At Washburn, Ferré has been instrumental in the establishment of a strong Ichabod Club support team and the raising of funds for athletic scholarships.

While at BHSU, Ferré was also director of the Donald E. Young Sports Fitness Center, a 172,000 square foot, \$10.2 million facility. During his Black Hills tenure, the athletics department nearly tripled its outside revenue, including large increases in ticket sales and scholarship funding. All 10 varsity teams won a conference title in his final three years.

Before joining the staff at Black Hills State, Ferré spent 17 years at the University of North Texas. He was the director of the Coliseum (1987-90) and was the associate and assistant director since 1980. He held the post of event coordinator (1978-80).

Ferré is a 1971 graduate of Texas Christian University, earning a bachelor of arts degree. He earned a master's in journalism from North Texas in 1982.

Ferré has just finished a three-year term as Chair of the NCAA Division II Men's Basketball South Central Regional Chairman.

Ferré and his wife Sarah, have two daughters, Caitlin and Hope.

THE ICHABOD CLUB

WASHBURN ATHLETICS

The Ichabod Club is a booster club that works to promote Washburn University Athletics and provides financial support to its athletic programs. Membership in the Ichabod Club has played a

major role in supporting the annual scholarship drive and making a difference in the lives of Washburn student-athletes for the past 20 years.

Washburn Athletics depends upon the annual contributions to the Ichabod Club Scholarship Fund to continue offering scholarship aid to our student-athletes.

The mission of the Ichabod Club is simply to provide the scholarship assistance to young men and women student-athletes (tuition, fees, books, room and board) unless the contribution is restricted to a specific sport or some other specific purpose. All gifts to the Ichabod Club are tax deductible to the full extent allowable by law.

Opportunities for alumni, friends, parents and boosters to become involved with the Ichabod Club program are available through pregame parties, golf tournaments, the Ichabod Club newsletter, monthly luncheons, the kick-off party and other special events.

For more information, call the Washburn Athletic Department at (785) 670-1135.

Lee Arena has served as the home of Washburn basketball since the 1984-85 basketball season. The arena has a capacity of 3,804, twice that of Whiting Fieldhouse, which housed the home court before 1984.

The arena was built as part of the \$8.4 million Kelsey H. and Edna B. Petro Allied Health Center, the largest building on campus covering more than 126,000 square feet. Lee Arena is named after former Washburn baseball coach and player Bob Lee and his wife, Sallee, to recognize their \$250,000 donation.

Following the 2000-01 season, Lee Arena underwent its first construction work since it opened with the second level addition of new coaching offices, conference room, booster room and student-athlete computer room. The addition makes Lee Arena one of the best Division II complexes in the nation.

Lee Arena has provided an outstanding homecourt advantage for both the Ichabods and Lady Blues. Since the Lady Blues christened Lee Arena with an 89-65 victory over Friends on Nov. 20, 1984, the team has posted an overall home record of 258-53 (.830).

The Lady Blues are 7-3 in NCAA postseason play at Lee Arena. On July 6, 1999, Lee Arena was fitted with a new basketball court design. The previous design was the original found on the court when Lee Arena opened for its first basketball game on Nov. 17, 1984.

The new court, which was designed by Sports Information Director Gene Cassell, features major changes, including a filled-in 3-point circle and an enlarged Washburn "W" in the center of the court.

After winning the school's first-ever NCAA Division II national title last season, the Washburn Lady Blues will have to reload to capture a fourth straight MIAA title and compete again for an NCAA title.

The Lady Blues finished 2005 on a roll by winning their last 10 regular season MIAA game before capping a 19-game winning streak with nine more wins in the MIAA and NCAA postseason tournaments.

The squad lost four seniors from last year's championship team. Carla Sintra was named to the WBCA All-American team, while Juwana Rivers were named to the Elite Eight All-Tournament team during the national championship run.

Alison Garrett left as one of the most prolific 3-point shooters in school history. The senior group accounted for 31.8 points and 15.1 rebounds a game last season.

Washburn does return three regular starters from last years squad and has a talented group of newcomers ready to make another run.

"Last season was definitely a storied year for us," said coach Ron McHenry. "We had a tough group that won a lot of big games. This year we will look to build off last year's success and we have a good core of returning players and a lot of talent from the newcomers. Its just a matter of how well our newcomers fit it and learn the system."

Returnees

The Lady Blues return three starters in junior forward Brooke Ubelaker and senior guards Jennifer Harris and April Roadhouse. Harris joined the squad as a junior college transfer last year, while Ubelaker and Roadhouse have started the last two seasons after stellar high school careers at Osborne High School.

"We have a good group of returnees that have

been a key part of our success the past few seasons," said McHenry. "I'm excited for some of our returning players to step up into new roles and see how they respond."

Ubelaker, who earned All-MIAA first team and second team all-region honors, averaged 12.9 points a game and has scored 794 points in two seasons for the Lady Blues. She also has grabbed 382 rebounds in her career, including 5.8 per game last season. Ubelaker is a career 54.2 percent shooter from the field and has made 73 3-pointers in her career.

Harris, who earned honorable mention All-MIAA and South Central Regional Most Valuable Player honors, returns for her second season after leading the team with 14.4 points a game last season. Harris scored a career-high 31 points in the regional final against Emporia State March 14.

Roadhouse, a two-time MIAA All-Defensive Team selection, averaged 3.8 points and 3.7 assists per game. She led the MIAA in assist/turnover ratio for the second straight year at 2.3 and scored a career-high 18 points at Pittsburg State Feb. 2.

Washburn also returns key reserves to the squad that will likely see a more significant role this season. Juniors Cindy Keeley, Megan Sullivan and Holly Henrichs will join senior Dani McHenry back to the squad this season.

Keeley, who earned one start and saw significant minutes in 2005, will likely step into a starting role this season. She was one of the team's top offensive rebounders and defenders last season and will be called upon for scoring as well this season.

Sullivan, will look to step into a starting role in the Lady Blue frontcourt after backing up All-American Carla Sintra. Sullivan was the team's top scorer and rebounder off the bench at 4.0 points and 3.6 rebounds a game.

Henrichs will add depth to the Lady Blue backcourt after grabbing minutes at the point guard position the past two seasons.

McHenry, a solid defender and shooter, will play her first full sea-

1.5
and

son of basketball after playing volleyball the past three fall seasons. She averaged points and 2.3 rebounds last season will be asked to step up in her senior campaign.

Newcomers

The Washburn Lady Blues added six newcomers to the talented group of returning players. Three transfers and three true freshman round out this year's recruiting class.

Bojana Samardziska, a 6-4 senior transfer from Nebraska, will be an immediate impact for the Lady Blue frontcourt. Samardziska averaged only 3.1 points and 1.8 rebounds a game at Nebraska last season but will look to impose the same scoring and rebounding threat she showed at Colby CC this season. She averaged 16.0 points and 9.2 rebounds a game at Colby in her two seasons from 2002-04 and all-league honors.

Jessica Aebi, a 5-7 junior from Northeastern Oklahoma A&M, will add depth and compete for significant minutes at guard. She helped NEO to a 26-6 record and a NJCAA Regional playoff berth last season. She was an all-state selection in 2003 at Enid High in Enid, Okla.

Amanda Holmes, a 6-2 sophomore, is returning home to play for the Lady Blue frontcourt. Holmes spent a year at Texas Christian after a stellar high school career at Hayden High, where she earned all-state honors.

Stephanie Wittman will lead a talented freshman trio into battle. Wittman, a 5-10 guard from Salina Sacred Heart, finished her career with 1,665 points and 540 rebounds. She earned all-state honors four seasons for the Scarlet Knights.

Jessica Mainz, a 5-9 guard from Shawnee Heights, will take her game from the soccer field to the basketball court. Mainz broke the school record with 13 goals scored in soccer for the Lady Blues this fall and has an outstanding basketball background from the high school ranks that includes all-state honors as a junior.

Kaydi Hooker, a 5-6 freshman guard, will also take the court after playing for the soccer squad. Hooker was the runner-up for Wyoming Gatorade Player of the Year honors for her high school basketball squad at Kelly Walsh High in Casper, Wyo.

"We addressed our recruiting needs with a combination of transfers and freshman," said McHenry. "These players are very talented and we think they will all fit well into our system."

MIAA

After winning it all in 2004-05, the Lady Blues are the pick to win a fourth straight MIAA title in 2005-06. Washburn had 61 points, including six first place votes in the coaches poll.

Emporia State was picked second with 56 points with a first place vote and returns two starters in junior Casey Henningsen and Andi McAlexander along with MIAA Freshman of the Year Michelle Stueve. Like Washburn, the Hornets will have two replace key parts, including four-year starter Nicole Patry from last year's squad.

Central Missouri was picked third with 51 points and one first place vote after returning to the NCAA Tournament after a long dry spell last season. Senior Tiffany Vincent is one of the league's top returning players in the CMSU frontcourt.

Missouri Western was fourth and picked up the final first place vote with 45 points. The Griffons lost two key players in Selma Barbosa and Eldra Paixao but reloaded with junior college talent to compliment two returning starters in Brandi Rodgers and Tera Petersen.

Pittsburg State was picked fifth with 31 points, Northwest Missouri State was sixth with 29 points, Missouri Southern was seventh with 27, Southwest Baptist was next with 15 and Truman rounded out the poll with 9.

The Washburn Lady Blues basketball team capped a dream season March 26 with a 70-53 win over Seattle Pacific University in the NCAA Division II women's basketball championship game at the Elite Eight Summit Arena in Hot Springs, Ark.

The win marked the school's first NCAA Division II title, as the Lady Blues finished the season by winning 19 consecutive games.

"It was definitely a storied year for us," said Washburn head coach Ron McHenry. "We had a tough group that won a lot of big games. I really thought somebody out of our region would win a national championship this year."

Washburn was the model of "Team," with many different players stepping up in big moments throughout the season.

"We had a ton of talent at the top with a lot of kids that can really play," said McHenry. "We had a group that had been through the battles and had four great seniors that meant a lot to this program."

The Road to Victory Preseason Wins

Jennifer Harris, Morristown, N.J., led the Lady Blues to two important non-conference road wins Dec. 2 at the University of Kansas and Dec. 11 at Drury University.

Washburn trailed by as many as 18 points in the second half of the Kansas game, before Harris caught fire. After being sidelined with foul trouble in the opening half, Harris scored 21 points and led Washburn to a 62-59 win at Allen Fieldhouse. Harris scored 26 points against then No. 1 Drury University, including 17 points in the second half. After trailing 51-49 with 4:09 left, Washburn went on a 15-0 run, finishing 64-53 in Weiser Gymnasium.

MIAA Champions

The Lady Blues lost the first matchup with Emporia State University on Jan. 5 in Emporia 67-60, but clinched a third-straight MIAA regular season crown Feb. 23 with a 57-48 win over the Hornets in Lee Arena. In that game, the Lady Blues held Emporia to just 12 points in the first half and never let them get within seven points during the last 30 minutes of the game.

NCAA Tournament

On March 6, the Lady Blues stamped their ticket to the NCAA Tournament by earning the MIAA's automatic bid with a 63-41 win in the MIAA Tournament final in Municipal Auditorium in Kansas City, Mo. Washburn dominated the first half once again at 32-16 and never looked back.

The story was a little different March 14 in the fourth and final matchup in the South Central Regional final in Springfield, Mo. Emporia State University kept the Lady Blues off balance in the opening half, taking a 28-22 half-time lead, but Washburn stormed back to win 63-51 in a dominating second half.

"I really think this league was as tough this year as it has been since I've been here," said McHenry, who finished his fifth season. "We knew that some of the best teams in the country were in our region and it would be very tough region to win."

Harris, who had shown the knack to step up in big games, scored 22 points in the second half to finish with a career-high 31 points, earning regional MVP honors. Brooke Ubelaker, Osborne, Kan., and Carla Sintra, Goiana, Brazil, joined Harris on the all-tournament team.

The Mid-America Intercollegiate Athletics Association, a nine-member conference of NCAA Division II institutions in Missouri and Kansas, was first organized in 1912 as the Missouri Intercollegiate Athletic Association.

Over the past 20 years, the league has undergone several changes, highlighted by increased participation in national championships.

The MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 13 national team championships and 141 individual national titles.

The MIAA currently conducts conference championships in eight men's and eight women's sports. Men's championships include football, cross country, basketball, indoor and outdoor

track and field, baseball, tennis, and golf. Women's champions are determined in volleyball, soccer, cross country, basketball, indoor and outdoor track and field, softball and tennis.

Ralph McFillen, formerly of the Metro and Gulf South conferences, succeeded Ken B. Jones as commissioner of the MIAA in July 1997.

Matt Newbery, previously the assistant sports information director at Pittsburg State University, is assistant to the commissioner for media relations and in his 12th year with the MIAA. Natasha Oakes, a former All-

MIAA track performer at Emporia State University, was added as the third full-time staffer in July 2005 as assistant commissioner for compliance.

A Run To A Championship

Lady Blues win first NCAA Championship in Washburn history

By Brad Noller
Washburn Assistant Sports Information Director

The Washburn Lady Blues basketball team capped a dream season March 26 with a 70-53 win over Seattle Pacific University in the NCAA Division II women's basketball championship game at the Elite Eight Summit Arena in Hot Springs, Ark.

The win marked the school's first NCAA Division II title, as the Lady Blues finished the season by winning 19 consecutive games.

"It was definitely a storied year for us," said Washburn head coach Ron McHenry. "We had a tough group that won a lot of big games. I really thought somebody out of our region would win a national championship this year."

Washburn was the model of "Team," with many different players stepping up in big moments throughout the season.

"We had a ton of talent at the top with a lot of kids that can really play," said McHenry. "We had a group that had been through the battles and had four great seniors that meant a lot to this program."

On March 6, the Lady Blues stamped their ticket to the NCAA Tournament by earning the MIAA's automatic bid with a 63-41 win in the MIAA Tournament final in Municipal Auditorium in Kansas City, Mo. Washburn dominated the first half once again at 32-16 and never looked back.

The story was a little different March 14 in the fourth and final matchup in the South Central Regional final in Springfield, Mo. Emporia State University kept the Lady Blues off balance in the opening half, taking a 28-22 half-time lead, but Washburn stormed back to win 63-51 in a dominating second half.

"I really think this league was as tough this year as it has been since I've been here," said McHenry, who finished his fifth season. "We knew that some of the best teams in the country were in our region and it would be very tough region

to win." Harris, who had shown the knack to step up in big games, scored 22 points in the second half to finish with a career-high 31 points, earning regional MVP honors. Brooke Ubelaker, Osborne, Kan., and Carla Sintra, Goiana, Brazil, joined Harris on the all-tournament team.

National Semifinals

One of the season's most defining moments was a 69-67 national semifinal victory against the University of Central Arkansas on March 24. The Lady Blues saw a seven point lead evaporate in the final 47 seconds before holding on.

Central Arkansas guard Carone Harris scored seven points, including a four-point play to tie the game with 17 seconds left. Washburn responded in championship fashion with a half court pass to Cindy Keeley, Great Bend, Kan., who converted a layup to give the Lady Blues the lead for good and a ticket to the national title game.

Carla Sintra led Washburn with 19 points and 11 rebounds for her second straight double-double. Sintra had 16 points and 10 rebounds in the national quarterfinals and earn Most Outstanding Player honors in the Elite Eight. Jennifer Harris left the game with a back injury in the first half and never returned the rest of the tournament.

National Championship

The dream season ended March 26 with the 70-53 win over Seattle Pacific University. Juwana Rivers, starting Harris, scored a season-high 22 points to lead the way. Rivers, who battled Mononucleosis during the conference season, went 7-for-9 from the field and made three 3-pointers.

Washburn fell behind trailed only once at 2-0 and dominated the game from start to finish. Seattle Pacific, which was among the nation's leaders in scoring, trailed 29-19 at the half and made only 7 of 35 first half shots.
